\$300,000 TRUST DEED RECORDED

Also the Agency Contract Be-
tween Kona Agr. Co. and
H. Hackfeld & Co.

There have been filed for record
the agency agreement lately con-
cluded between Kona Agricultural Co.,
Ltd., and H. Hackfeld & Co., Ltd., and
the trust deed of Kona Development
Co., Ltd., and West Hawaii Railroad
Co., Ltd., jointly and severally, to
Henry Waterhouse Trust Co., Ltd., to
secure payment of an issue of bonds
in the amount of \$300,000.

In the agency agreement the Kona
Agricultural Co. appoints H. Hack-
feld & Co. its agent irrevocably in the
Territory of Hawaii for the term of
fifteen years from September 1, 1912.
The company confers upon the agent
the exclusive right to purchase or pro-
cure from such sources as it may
deem best, for the interest of the com-
pany all machinery, goods, wares and
merchandise, supplies and personal
property of every name or nature re-
quired by the company for its use or
accommodation, or for sale in its store
or stores if necessary, free of com-
mission except that the agent may
charge the company with commissions
actually paid by it upon goods com-
ing from the mainland of the United
States and from foreign countries.
Collection and disbursement of moneys
for the company are also made func-
tions of the agent. Any moneys ad-
vanced to the agent shall be repaid
at the rate of interest of 5 per
cent. per annum. The agent is to pay
3 per cent. per annum on all balances
to the credit of the company.

The agent shall receive and sell all
sugars, produce, goods, etc., on a com-
mission of 1 1/2 per cent. net upon the
gross amount received in the local or
foreign market for such sugars, etc.
A commission not to exceed 1 per cent.
may be paid by the foreign agent or
agents of the agent and shall be paid
by the company upon sugars sold
abroad to a refinery under contract,
but in the event of sales in the open
market the rate of commission may
be reasonably increased.

In the preamble of the trust deed
covering the bond issue of \$300,000,
relation is made of the cancellation
and surrender by James B. Castle of
a bond issue of \$350,000 made in
1907, \$25,000 having been issued on
account of Kona Agricultural Co. and
\$325,000 on account of Kona Develop-
ment Co. and West Hawaii Railroad
Co. It is also mentioned that the
three companies named were desirous
of retiring the said bonds and sep-
arating the indebtedness of Kona Ag-
ricultural Co. from the other two
companies.

store or toilet counter and try it as
directed.

CHARGED BY PET COW SOCIETY GIRL DEAD

Miss Dorothy Bowman Tried
to Lead Calf Away To
Be Petted

PHILADELPHIA, Pa., Aug. 14. —
Miss Dorothy C. Bowman, debutante,
and one of the leaders of the city's
youthful social set, died in the Jef-
ferson Hospital today from blood poison-
ing, the result of a compound frac-
ture of the leg, sustained at her sum-
mer home on Friday last, when she
was attacked by a cow, long regarded
as the pet of the family.

Miss Bowman, who is the daughter
of B. Frank Bowman, a retired coal
operator, was showing some friends
about her father's country estate when
they came across a calf that was
standing besides its mother. The
young woman led the calf out of an
enclosure so that her friends might
caress the young animal and the cow
suddenly became enraged and charged
her.

Miss Bowman was thrown to the
ground and in trying to escape stub-
bled over an obstruction and sustain-
ed the fracture which resulted in her
death. She was hurried to this city
in a special train. Internal injuries
in addition to the compound fracture
produced a septic wound. Blood poi-
soning developed and Miss Bowman
lapsed into unconsciousness on Mon-
day, from which she never rallied un-
til her death today.

Miss Bowman was not yet twenty
years of age, and was popular among
the members of the Belfield Cricket
Club and other organizations with
which she was identified.

With "I dare you to shoot" still on
his lips, Frank Lynch, aged 35, of An-
nora, Ind., was shot six times by his
wife at Petersburg, Ky., where he
went to beg her to return to him. He
is in a serious condition in a Cin-
cinnati hospital.

FIGURES DENOTE THAT COAL MAY OUTLAST THE OIL

World's Enormous Fuel Re-
sources; Oil Market Is
Still Strong

Any anticipations which fuel oil pro-
ducers may have of the speedy ex-
haustion of the world's coal beds may
be dismissed, if the latest estimates
are correct. The area of the world's
coal fields in square miles is as fol-
lows: China and Japan 200,000, United
States 194,000, India 35,000, Russia, 27-
000; Great Britain 9000; Germany 3600.
France 1800, Belgium, Spain and other
countries 14,000, total 471,800. The coal
fields of China, Japan, Great Britain,
Germany, Russia and India contain ap-
proximately 302,000,000,000 tons, or
enough coal for 450 years at the pres-
ent rate of consumption. If to this are
added the coal fields in the United
States, Canada and other countries,
the supply will be found ample for
1000 years, say the statisticians. The
United States Geological Survey esti-
mates that the coal land in the Black
Mesa fields of Arizona covers 5920
square miles and contains 14,082,000-
000 tons, of which 8,000,000,000 tons
are recoverable. In 1850 the coal pro-
duction of the United States was 6-
266,233 tons and in 1910 it was 485-
899,753 tons. The statistics of the
world's enormous reserves of coal,
which is more slowly mined than pet-
roleum, which is largely self produc-
ing, and at a rapid rate of flow, sug-
gest that coal may outlast oil.

Mr. Spooner (awaiting her appear-
ance) And would you like to have
me for a brother Bobby?
Bobby—Chee! How'm I going to
help myself?

Gabe—Has Jones a good memory?
Steve—Should say he has. Why, he
can name you the last six Vice Pres-
idents of the United States.
